CREATE AN ACCOUNT FOR A MORE SEAMLESS PARKING EXPERIENCE!

With a Parking.com account, simply drive in and out without the hassle of stopping to provide payment.

When you enter the parking facility a license plate camera will scan your plate, associate it to your account and start your parking session.

When you exit, your plate is scanned again, the parking session is closed and the payment method on file is charged.

SET UP A PARKING.COM ACCOUNT

1. Visit **Parking.com/sign-up** or scan QR code
2. Enter email, phone number, first and last name, and password
3. Select **SIGN UP**
4. View the email from **no_reply@spplus.com** and **ACTIVATE YOUR ACCOUNT**

LOG INTO YOUR PARKING.COM ACCOUNT

5. Enter email address and password via **Parking.com/sign-in** and **LOG IN**
6. Select **MY ACCOUNT** and complete:

VEHICLE INFO

Add Vehicle

LICENSE PLATE*

ex - ABC1234

State*

Enter your full plate number to avoid citation. Max of 8 characters. Do not include spaces or special characters.

NICKNAME

ex - Company Car (optional)

○ Make this my default vehicle
This vehicle will appear during Checkout. Make sure your license matches the vehicle you park to avoid towing.
